Kendall Ice Arena - PB SkateZone - Pines Ice Arena

COMPETITION ANNOUNCEMENT

The **Compete USA South Florida Basic Skills Competition Series** is sponsored equally by and will be held at Kendall Ice Arena, Palm Beach SkateZone, and Pines Ice Arena. Competition packages will be available on the official competition website (basicskillsflorida.com), entryeze.com and at all three arenas before and during the run of the "Series." Competition information and results will be posted at each rink and on the official competition website: www.basicskillsflorida.com.

ELIGIBILITY RULES FOR PARTICIPANTS

The competition is open to ALL skaters who are current eligible (ER 1.00) members of either Learn to Skate USA or those who are full members of U.S. Figure Skating. Members of other organizations are eligible to compete but must be registered with Learn to Skate USA or a member club. There will be no more than six competitors maximum in an event and all six will receive an award medal.

Eligibility and Test Requirements:

Eligibility will be based on skill level as of closing date of entries. All **Snowplow Sam and Basic 1-6** skaters must skate at highest level passed or one level higher and NO official U.S. Figure Skating tests may have been passed, including Moves in the Field or individual dances.

For the **Pre-Free Skate, Free Skate 1-6, Excel, Well Balanced, and Adult levels** eligibility will be based only upon highest free skate test level passed. Moves in the Field test level will not determine skater's competitive level. Skaters may skate at highest level passed OR one level higher, but not both levels in the same event during the same competition. Skaters may not compete at more than one level in the same type event at the same competition.

It is very important to the success of the competition that skaters are placed in the correct divisions. If, for whatever reason, the Local Organizing Committee (LOC) discovers that a skater has been placed in a category that is below his/her class level, the chair and referee will have the option to move the skater into the proper division, even if it is the day of the competition. This will ensure that every event is as fair as possible to the competitors. It is an ethical violation for coaches to sandbag an event.

ELIGIBILITY RULES FOR INSTRUCTORS/COACHES

Important notice for all coaches

Coaches will need to check in at each Series competition registration desk and show a government issued photo I.D. to receive a credential. The Local organizing committee (LOC) will have a list of coaches who are cleared for a credential at the competition. For coaches who are NOT on the list, the LOC will ask to see the following:

- Learn to Skate USA Instructor membership OR U.S. Figure Skating full membership
- SafeSport training completed (for coaches/instructors 18 years old and older)
- Background check successfully passed (for coaches/instructors 18 years old and over)
- Learn to Skate USA Instructor Certification completed OR U.S. Figure Skating compliant coach (for coaches under 18 years old)

If a coach cannot provide a photo I.D. and is not on the compliant coaches list or cannot produce the necessary documents, he or she will not be allowed a credential - no exceptions. We strongly urge all coaches to have their cards with them.

The status of coaches/instructors can be determined by checking the lists on the U.S. Figure Skating website. This report can be found on www.usfigureskating.org and go to “Coaches” and click on the “Information for Clubs” or “Basic Skills Instructor Registration” pages.

If a coach/ instructor attempts to work at an event without the proper credentials, he or she is in violation of U.S. Figure Skating ethics and code of conduct rules and, as such, is subject to disciplinary action.

USFS RULE 3120 Basic Skills Competitions – Officials

3121 For Compete USA competitions, three judges not related to the competitors are required for each event. Judges may be any official U.S. Figure Skating or Skate Canada judge or any other qualified eligible or ineligible person in skating who is a U.S. Figure Skating member and/or a Learn to Skate USA member.

3122 For Compete USA competitions, the member club or other organization sponsoring and conducting the competition shall approve all judges and officials. All persons serving as judges and officials shall be at least 16 years of age.

SHOWCASE EVENTS

Showcase events are open to skaters in Basic, Free Skate, Limited Beginner through Preliminary and Adult Bronze. Groups will be divided by number of entries and ages if possible. Skaters must enter at the same level as their free skate event or highest test level of skater's in the group ensemble or production number. If a free skate event is not being entered, skaters must enter at their current test level or one level higher. Vocal music is permitted.

Show costumes are permitted, as long as they do not touch or drag on the ice. Costuming and make-up for showcase programs should enhance the feeling created by the performance; and reflect the meaning of the story or theme. Ornaments and hair accessories must be secure. No bobby pins, feathers, hair accessories, or anything else that may fall to the ice and be hazardous to the skaters are allowed. A 0.1 deduction will be taken. Props and scenery must be placed and removed by unaided singles and duet competitors within one minute on and off and by unaided ensemble contestants within two minutes for setup and two minutes for removal. A 0.1 deduction will be assessed by the referee against each judge's mark for each ten seconds in excess of the time allowed for the performance, for handling props and scenery and for scenery assistance.

Performances will be judged from an entertainment standpoint, for theatrical qualities. Technical skating skills and difficulty will not be rewarded as such; however, skating must be the major element of the performance and be of sufficient quality to support the selected theatrical elements. Unintended falls, poorly executed skating elements and obvious losses of control will reduce contestant's marks. Jump difficulty is not rewarded in showcase; therefore jumps, if choreographed, should be performed with style, flow and confidence. Theatrical elements evaluated will include energy, poise, acting, pantomime, eye contact, choreography, form/extension and the use of props and ice.

6.0 Judging will be used. Deductions will be made for skaters including technical elements not permitted in the event description.

* For specific guidelines regarding the conduct of Showcase competitions, refer to the Nonqualifying Showcase Guidelines posted on www.usfigureskating.org.

Showcase themes should be Dramatic or Light Entertainment themes.

- Levels can be subdivided, if necessary, depending on entry numbers and event set up
- Dramatic entertainment: Programs should express intense emotional connection and investment in the music, choreography and theme concept through related skating movements, gestures and physical actions. The entire gamut of emotions may be expressed including intense joy and/or introspectiveness. Dramatic programs should not be depressing. Even if the emotion is sadness, there should be an enlivened feeling given to the audience.
- Light entertainment: Programs should express a carefree concept or storyline designed to uplift and entertain the audience through related skating movements, gestures and physical actions.
- Duets: Theatrical/artistic performances by any competitors.

As each skater performs, the next skater in line will be allowed to hear the music for the third time before they perform to the music. The listening skater will not be allowed to view the performing skater.

Levels: Levels should be broken by ability with ages divided appropriately.

Judging Rules: Skaters are judged on originality, pattern, technical (the ability to include jumps and spins) and music interpretation/expression.

Spins and jumps performed must be appropriate to competition level.

SYNCHRONIZED SKATING- SNOWPLOW SAM SYNCHRO, SYNCHRO SKILLS 1-3, PRELIMINARY

The emphasis of the Learn to Skate USA synchronized skating competition is on mastering the Synchro Skills of synchronized skating:

- Unison of body alignment and learning to guide with the head.
- Control of rotation in wheels and circles.
- Straight lines in lines, blocks and intersections.
- Learning how to transition within elements with ease and clarity.
- Incorporating skills from Basic 1-6, Pre-Free Skate and Free Skate 1-2 to strengthen skating skills.
- Learning skills that will be the foundation for higher levels.
- Demonstrate ability to recognize and skate to the tempo of the music.

In order to safely practice and compete at the various levels, it is strongly recommended that skaters have mastered the elements of the Learn to Skate USA level at which they are skating (see program requirements).

Eligibility Rules: All skaters on the team must either be full U.S. Figure Skating members or members of the Learn to Skate USA program. All Learn to Skate USA Synchronized Skating teams must be registered with U.S. Figure Skating and have a team number.

In order for the team to be eligible for Snowplow Sam Synchro or Synchro Skills 1-3 events, no skaters on the team may have passed higher than a preliminary test (moves in the field, freestyle or dance). The skater's test level is as of the competition entry deadline.

No skater may compete on multiple Learn to Skate USA synchronized skating teams.

Age/Number of Skaters: Varies based on the level. The ages for Learn to Skate USA synchronized skating teams are as of the preceding July 1. If the majority of the team is younger than the listed age, consider skating "up" to the level that best meets the skaters' skill levels.

Each Synchro Skills team may have between 8-16 skaters. A Snowplow Sam Synchro team may have between 5-12 skaters. Teams may have a maximum of four alternates listed on their roster, in addition to the maximum number permitted on the ice for their respective level.

Costume Rules: Learn to Skate USA synchronized skating teams should follow **Rule 9022 Clothing and Equipment** (U.S. Figure Skating Rulebook) when selecting their clothing for competition.
