**\*See "Series" Point System Rules.**

**19<sup>th</sup> Annual Compete USA South Florida Basic Skills Series**  
**Kendall Ice Arena -- Pines Ice Arena- PB SkateZone**

**COMPETITION ANNOUNCEMENT**

The **Compete USA South Florida Basic Skills Competition Series** is sponsored equally by and will be held at Kendall Ice Arena, Pines Ice Arena and Palm Beach SkateZone. Competition announcements will be available on the official competition website ([basicskillsflorida.com](http://basicskillsflorida.com)), [entryeeze.com](http://entryeeze.com) and at all three arenas before and during the run of the "Series." Competition information and results will be posted at each rink and on the official competition website: [www.basicskillsflorida.com](http://www.basicskillsflorida.com).

**ELIGIBILITY RULES FOR PARTICIPANTS**

The competition is open to ALL skaters who are current members of either Learn to Skate USA and/or those who are full members of U.S. Figure Skating. Members of other organizations are eligible to compete but must be a current registered member of Learn to Skate USA or a full member of U.S. Figure Skating. There will be no more than six competitors maximum in an event, and all six will receive an award.

*ELIGIBILITY AND TEST REQUIREMENTS:*

Eligibility will be based on skill level as of closing date of entries. All Snowplow Sam and Basic 1-6 skaters must skate at highest level passed or one level higher, and NO official U.S. Figure Skating tests may have been passed, including moves in the field or individual dances.

For the Pre-Free Skate, Free Skate 1-6, Excel, Well-Balanced, Adult and Adaptive levels, eligibility will be based only upon highest badge level or free skate test level passed. Moves in the field test level will not determine a skater's competitive level. Skaters may skate at highest level passed OR one level higher but not both levels in the same event during the same competition.

It is very important to the success of the competition that skaters are placed in the correct divisions. If, for whatever reason, the local organizing committee (LOC) discovers that a skater has been placed in a category below his/ her badge or test level, the chair and referee will have the option to move the skater into the proper level, even if it is the day of the competition. This will ensure that every event is as fair as possible to the competitors. It is an ethical violation for coaches to sandbag an event.

**19<sup>th</sup> Annual Compete USA South Florida Basic Skills Series**  
**Kendall Ice Arena - Pines Ice Arena - PB SkateZone -**

**ELIGIBILITY RULES FOR INSTRUCTORS/COACHES**

**Important notice for all coaches**

Coaches will need to check in at each Series competition registration desk and show a government issued photo I.D. to receive a credential. The Local organizing committee (LOC) will have a list of coaches who are cleared for a credential at the competition. For coaches who are NOT on the list, the LOC will ask to see the following:

- Learn to Skate USA Instructor membership OR U.S. Figure Skating full membership
- SafeSport training completed (for coaches/instructors 18 years old and older)
- Background check successfully passed (for coaches/instructors 18 years old and over)
- Learn to Skate USA Instructor Certification completed OR U.S. Figure Skating compliant coach (for coaches under 18 years old)

If a coach cannot provide a photo I.D. and is not on the compliant coaches list or cannot produce the necessary documents, he or she will not be allowed a credential - no exceptions. We strongly urge all coaches to have their cards with them.

The status of coaches/instructors can be determined by checking the lists on the U.S. Figure Skating website. This report can be found on [www.usfigureskating.org](http://www.usfigureskating.org) and go to “Coaches” and click on the “Information for Clubs” or “Basic Skills Instructor Registration” pages.

If a coach/ instructor attempts to work at an event without the proper credentials, he or she is in violation of U.S. Figure Skating ethics and code of conduct rules and, as such, is subject to disciplinary action.

**USFS RULE 3120 Basic Skills Competitions – Officials**
